## County-issued Veteran ID Cards Available

A new photo ID card is now available to Macomb County veterans through the Office of Clerk/Register of Deeds, Carmella Sabaugh.

Many businesses offer veterans special benefits, discounts, or services as a way to express gratitude for their service to our country. The ID card can be a way to provide veterans with proof of service (while being more portable than DD214 forms.) The card also does not exclude some veterans, (as in the case of health care ID cards.) The cards are an optional form of ID, and are available to veterans at no additional cost to the county.

Veterans may obtain a card by bringing the following to the county clerk's office:

- Military discharge papers (such as a DD214)
- Photo identification (MI driver's license, or MI ID card)
- \$10 fee (cash, check, credit card)

Not all merchants offer special services or discounts to veterans, but an unofficial list of participating businesses is available at: [www.themilitarywallet.com](http://www.themilitarywallet.com).

For more information regarding the veterans photo ID card, please call the Clerk/Register of Deeds office at (586) 469-5205. Assistance with any other veteran-related issues can also be directed to Veterans Services at (586) 469-5315.

## Ordinance Leads Way

The Board of Commissioners has adopted an ordinance establishing a standard of ethics for all public servants in the county (county employees, elected officials, commissioners and appointees).

This makes Macomb the largest county in Michigan to have a dedicated ordinance, and the only county in the tri-county area.

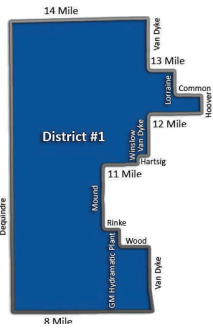

The ordinance addresses issues such as nepotism, gifts and gratuities, inappropriate use of county time and property and sets guidelines for disclosure to prevent conflicts of interest pertaining to county business.

## Summit Promotes Collaboration, Debuts R-PATH

The Macomb County Board of Commissioners recently hosted a productive 2011 Southeast Michigan Regional Summit with neighboring Oakland, Wayne, Washtenaw, and St. Clair counties, and members of the Detroit City Council.

The group discussed opportunities for mass transit and regional collaboration, and the event was anchored with a presentation and panel discussion by transit officials from Denver, Colo. on the benefits of mass transit, and the "lessons learned" while developing an RTA.

Officials also announced the formation of Regional Partners Advocating Transit Here (R-PATH), which will work in support of the creation of a Regional Transit Authority (RTA) in southeast Michigan.
