

## **Juvenile Justice Advisory Board**

Macomb County Community Corrections is a community based punishment and rehabilitative program aimed at relieving prison and jail overcrowding through Court-approved sentencing alternatives. Non-violent offenders are placed into community sanctions, rather than in jail or prison, to free-up corrections space for more serious offenders. Rehabilitative and monitoring options include substance abuse inpatient and outpatient treatment, daily reporting services, urine testing, community service work, job training assistance, cognitive restructuring and pre-trial release supervision.
