Please feel free to contact me with any questions or suggestions on how we can make Macomb County an even better place to live, learn, or do business. As your commissioner, I want to be sure your opinions and concerns are heard.

In the meantime, I hope that you find the information provided in this newsletter useful.

Grab a Paddle and Head to the Trail

Local water enthusiasts have one more reason to explore Macomb County's Lake St. Clair this summer as our new water trail debuts.

The trail, which is suited for all skill levels of open water kayaking and other paddling sports, runs along the shoreline to join trails in both Wayne and St. Clair counties, and is one of the final pieces in a state-wide system of developing water trails.

The project, spearheaded by the county's Lake St. Clair Tourism Development Program in 2010, is funded through a \$10,000 grant from Michigan Sea Grant and a matching contribution from MSU Extension.

In addition to recreation, in Macomb County the trail provides an additional opportunity for lakefront communities

to use their location as a built-in business development tool.

Guide maps to the many sights on the route (which include a shipwreck, MetroBeach, and other natural landscape features) will be available at public buildings such as libraries and municipal buildings throughout the county in August, coinciding with an official trail launch.

Macomb Green Schools

Congratulations to Carter Middle School in Warren for being named the top Green School in Macomb County for 2010-11!

The Green Schools Program promotes environmentally responsible projects and education for K-12 students. Carter joined McKinley Elementary, Thompson Community Center, Warren Woods Middle School and Westwood Elementary as 101 "Official Michigan Green Schools" from across the county were honored by the Board of Commissioners in April. The schools received a flag to display and a certificate signed by county and state officials. Launched in 2008 with 45 schools, participation in the program is growing fast, and has almost tripled. The Board Wants to Hear from You

The Macomb County Board of Commissioners (BoC) has a commitment to transparency, communication, and to spending tax dollars as wisely as it can in these challenging times.

The Board encourages feedback and involvement at our meetings. As elected officials from 13 districts, we are the voice of our neighbors in those districts. To be that voice effectively, we need to hear from you, and we need your support.

The Board of Commissioners meets monthly on the 9th Floor of the Administration Building, 1 S. Main, Mount Clemens. Call the Board offices at (586) 469-5125 for information, or visit www.MacombBOC.com for a meeting schedule.

The City of Center Line supports the organization Cell Phones for Soldiers as a collection point for used cell phones. Donated phones are turned in to a recycling facility by Cell Phones for Soldiers, and calling cards for U.S. troops are then purchased. There is a collection box for old phones located in the lobby of the Center Line Public Safety Department.
