Dear Neighbor,

I am pleased to serve as both your commissioner and representative voice at the county level.

Please feel free to contact me with any questions or suggestions on how we can make Macomb County an even better place to live, learn, and do business. As your commissioner, I want to be sure your opinions, concerns, and ideas are heard.

In the meantime, I hope that you find the information provided in this newsletter useful.

Best wishes,

Kathy Tocco

Grab a Paddle and Head to the Trail

Local water enthusiasts have one more reason to explore Macomb County's Lake St. Clair this summer as our new water trail debuts.

The trail, is suited for all skill levels of open water kayaking and other paddling sports. It runs along the shoreline to join trails in both Wayne and St. Clair counties, and is one of the final pieces in a state-wide system of developing water trails.

The project, spearheaded by the county's Lake St. Clair Tourism Development Program in 2010, is funded through a \$10,000 grant from Michigan Sea Grant and a matching contribution from MSU Extension.

In addition to recreation, the trail provides additional opportunities for lakefront communities to use their

location as a business development tool.

Guide maps to the many sights on the route (which include a shipwreck, MetroBeach, and other natural landscape features) will be available at public buildings such as libraries and municipal buildings throughout the county in August, coinciding with an official trail launch.

Macomb Green Schools

Launched in 2008 with 45 schools, the state-wide Green Schools Program promotes environmentally responsible projects and education for

K-12 students.

This year, the Board of Commissioners recognized 101 "Official Michigan Green Schools" from Macomb County at a special ceremony where the schools received a Green Schools flag and certificate signed by county and state officials.

Congratulations to the following schools for their achievements: Dort, Eisenhower, Kaiser and Steenland elementaries, and Eastland Middle School.
