# Public Health Nursing

## Maternal Child Health

**Macomb County Health Department**

## ABOUT PUBLIC HEALTH NURSING

The Maternal Child Health Nursing program is comprised of highly trained Public Health Nurses (PHNs) who have extensive education and experience in assessing infants, children, and their families within the community setting.

## WHO IS ELIGIBLE?

The Health Department provides Public Health Nursing services to individuals and families throughout Macomb County. The Public Health Nursing program takes a holistic view of health and focuses on counseling and education, nutrition, parenting, prenatal care, infant and postpartum care.

All county residents are eligible and there is no cost for Public Health Nursing services

## SERVICES
