### Macomb County Department of Roads Takes On Potholes

Along with the warmer temperatures comes the Spring season for yard work, baseball, and the dreaded potholes.

“If you have concerns about potholes or other safety issues on our county roads, we urge you to contact us directly,” said Mark Hackel, Macomb County Executive. “A request for patching or other maintenance on our roads is just a phone call or a click away.”

“In an effort to eliminate any confusion as to how to contact the Macomb County Department of Roads, please use the following phone number or email to get results more efficiently,” explained Bob Hoepfner, Director of Roads.
