

Metro Detroit Mile Roads

Many of the mile roads throughout the Metro Detroit area have had names at one time or another and most of the roads have had more than one name. Some of the names for mile roads are only used in Oakland County (see 17-19 Mile Roads) or in St. Clair County (see 27-33 Mile Roads) or for just a short stretch in a particular jurisdiction. Many of the names are no longer in use.
