# Board of Commissioners Update

FROM YOUR MACOMB COUNTY COMMISSIONER

1 South Main St., Mount Clemens • Phone: (586)469-5125

Summer 2011

Dear Neighbor,

I am pleased to serve as both your commissioner and representative voice at the county level. Please contact me with any questions you may have, or suggestions on how we can make Macomb County an even better place to live, learn, or do business. As your commissioner, I want to be sure your opinions and concerns are heard.

I am also honored to announce that I was recently re-appointed by the County Executive to the Macomb County Community Corrections Advisory Board, representing the Board of Commissioners. I am proud to serve the county in this capacity, and look forward to adding value to the group.

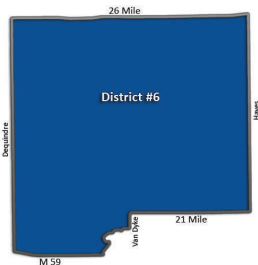

In the meantime, best wishes to everyone — and have a great summer!

## Grab a Paddle and Head to the Trail

Local water enthusiasts have one more reason to explore Macomb County's Lake St. Clair this summer as our new water trail debuts.

The trail, which is suited for all skill levels of open water kayaking and other paddling sports, runs along the shoreline to join trails in both Wayne and St. Clair counties, and is one of the final pieces in a state-wide system of developing water trails.

The project, spearheaded by the county's Lake St. Clair Tourism Development Program in 2010, is funded through a \$10,000 grant from Michigan Sea Grant and a matching contribution from MSU Extension.

In addition to recreation, in Macomb County the trail provides an additional opportunity for lakefront communities

to use their location as a built-in business development tool.

Guide maps to the many sights on the route (which include a shipwreck, MetroBeach, and other natural landscape features) will be available at public buildings such as libraries and municipal buildings throughout the county in August, coinciding with an official trail launch.

## Macomb Green Schools

Launched in 2008 with 45 schools, the state-wide Green Schools Program promotes environmentally responsible projects and education for K-12 students.

This year, the Board of Commissioners recognized 101 "Official Michigan Green Schools" from Macomb County at a special ceremony where the schools received a Green Schools flag and certificate signed by county and state officials.

Congratulations to the following schools for their achievements: West
