Macomb County Hosts Regional Summit

The Macomb County Board of Commissioners is pleased to host this year's

Southeast Michigan Regional Summit on September 30 at the Lorenzo Cultural Center in Clinton Township.

The summit is an opportunity for officials from Oakland,

Wayne and Macomb counties and the City of Detroit to gather, develop working relationships and study current issues affecting the residents of Southeast Michigan. This year's discussion focuses on the benefits of regional collaboration and the issue of mass transit.

In addition, for the first time in summit history, Macomb County leadership has expanded summit participants to include neighboring Washtenaw and St. Clair counties.

The inclusion of neighboring counties serves to underscore the need for a concerted regional effort toward economic revitalization and transportation.

The first summit was hosted in 1998 by Wayne County, the Michigan State Fair, and the Michigan Association of Counties. Hosting duties alternate between participants yearly, with event costs paid for by summit sponsors. Macomb County hosted its last summit in 2007, aboard the Ovation yacht.

County Scores AAA Bond Rating

Good news on the financial front for Macomb County: bond rating agency Standard & Poor's recently re-affirmed the county's solid bond rating, awarding it "AAA" status with a stable outlook.

Earning S & P's highest rating means taxpayers pay less interest to finance bonds on construction projects, and that the county has a strong capacity to meet current and future financial commitments.

Macomb County is one of only three counties in Michigan and 67 nationwide to have earned the AAA rating.
