

Board of Commissioners Update

FROM YOUR MACOMB COUNTY COMMISSIONER

1 South Main St., Mount Clemens • Phone: (586)469-5125

Summer 2011

Dear Neighbor,

I am pleased to serve as your Macomb County commissioner. The Board of Commissioners has a commitment to transparency, open communication, and to spending tax dollars wisely. As elected officials from 13 districts, we are the voice of our neighbors in those districts. To do this effectively, we need to hear from you, and we need your support. We encourage feedback and public involvement at our meetings. The BoC meets monthly on the 9th Floor of the Administration Building, 1 S. Main, Mount Clemens. Call the Board offices at (586) 469-5125 or visit www.MacombBOC.com for a meeting schedule.

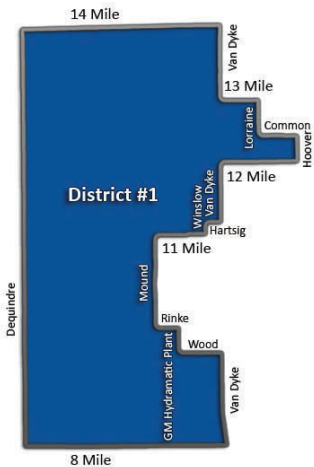

Please feel free to contact me with any questions or suggestions on how we can make Macomb County an even better place to live, learn, or do business.

Have a great summer,

Toni Mocerri

Grab a Paddle and Head to the Trail

Local water enthusiasts have one more reason to explore Macomb County's Lake St. Clair this summer as our new water trail debuts.

The trail, which is suited for all skill levels of open water kayaking and other paddling sports, runs along the shoreline to join trails in both Wayne and St. Clair counties, and is one of the final pieces in a state-wide system of developing water trails.

The project, spearheaded by the county's Lake St. Clair Tourism Development Program in 2010, is funded through a \$10,000 grant from Michigan Sea Grant and a matching contribution from MSU Extension.

In addition to recreation, in Macomb County the trail provides an additional opportunity for lakefront communities

to use their location as a built-in business development tool.

Guide maps to the many sights on the route (which include a shipwreck, MetroBeach, and other natural landscape features) will be available at public buildings such as libraries and municipal buildings throughout the county in August, coinciding with an official trail launch.

Macomb Green Schools

Launched in 2008 with 45 schools, the state-wide Green Schools Program promotes environmentally responsible projects and education for K-12 students.

This year, the Board of Commissioners recognized 101 "Official Michigan Green Schools" from Macomb County at a special ceremony where the schools received a Green Schools flag and certificate signed by county and state officials.

Congratulations to the following schools for their participation and achievements: Beer Middle School, St. Anne Catholic Grade School, Westview Elementary, and Macomb Mathematics Science Technology Center.

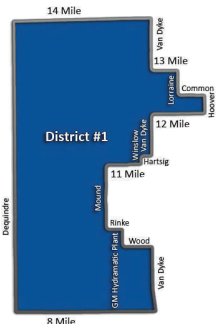

Macomb County Data

Recently, the Board of Commissioner's Health and Human Services Committee Chaired by Commissioner Toni Mocerri hosted a presentation from Kurt Metzger of Data Driven Detroit (D3). The presentation identified a number of trends affecting Macomb County, including racial/ethnic diversity, employment statistics, and income levels, among other data.

For example, did you know:

- The county's population grew 4.6% between 2000-05, and only .8% between 2005-10
- The number of unemployed people in the county increased fourfold between 2000-09, and decreased slightly in 2010.
- From 2003-08, the top countries of origin for emigration to metro-Detroit, including Macomb County, were: India, Iraq & Albania (in that order.)
