

# 2010 Livestock Sale Participation Form

All livestock must meet all health requirements as set up by the Armada Fair Board and Michigan Department of Agriculture (MDA) Fair, Racing and Exhibition Division. For information on this year's requirement, contact your 4-H leader, Superintendent, review the MDA website at <http://www.michigan.gov/mda> or contact MDA at 517-373-9763.

All youth must be at least 4-H age of 9 (age as of January 1) to sell their animals in the 4-H Livestock or 4-H Silent Auction or show competitively under the 4-H Name at the Armada Fair. It is **expected** that youth who participate in 4-H classes at the Armada Fair, participate in setting up, cleaning up and monitoring barns where the youth have projects on exhibit. Contact the appropriate Superintendent for dates and times.

All youth need to have their market animals tagged on the dates listed below. **All male market livestock must be castrated prior to tagging - No exceptions.** Tagging takes place for all species at the Armada Fair Grounds. In the event an ear tag comes out, the 4-H owner must call the President or Vice President of the Livestock Sale Subcommittee immediately to schedule a re-tag. Animals arriving at the fairgrounds without a tag will be rejected.
