County Executive Hackel announces key department head appointment

Macomb County Executive Mark A. Hackel today announced the appointment of Steven C. Gold, MPH, to the position of Health and Community Services Director. This new charter created position is responsible for the overall management and administration of the activities and operations of departments and services related to health and community services, including the Health Department, Community Services Agency, Senior Services and MSU Extension. Mr. Gold most recently served as Health Department Director and worked for the County in various health related positions since 1997.

This position reports directly to the executive office. "Steve brings outstanding leadership, competency and career experiences to his new job. He has been a compassionate and dedicated public servant in the area of Health and Human Services for over 30 years," said Macomb County Executive Mark A. Hackel.

Steve holds a bachelor's degree in English Language and Literature and a master's degree in Public Health both from the University of Michigan. Steve also served 21 years with the Wayne County Health Department in several capacities before joining Macomb County. His appointment will become effective upon Commission confirmation.
