### **Macomb County Circuit Court to Participate in Michigan Adoption Day**

MOUNT CLEMENS, Mich. — On Tuesday, November 22, 2011, at the 16<sup>th</sup> Judicial Circuit Court at 40 North Main, 3rd floor, Judge Mark S. Switalski's Courtroom, Mt. Clemens, MI 48043, adoptions are scheduled to take place between the hours of 9:30AM to 11:30AM (approximately), and are **open to the public/media**. Typically, adoptions are closed hearings to the public.

Michigan Adoption Day, now in its ninth year, takes place each year on the Tuesday before Thanksgiving; this year's date is November 22nd. Numerous other counties will also be honoring this day. The event is sponsored by the Michigan Department of Human Services (DHS), and the Michigan Supreme Court. Governor Snyder has proclaimed that November is Adoption Month in Michigan while the Michigan Supreme Court has issued a Resolution naming November 22nd as Michigan Adoption Day. We hope that our event will educate the community about the many children waiting to be adopted into good homes.
