MOUNT CLEMENS, Mich. – Halloween fun will begin early this year at the Macomb Community College Sports and Expo Center in Warren, as more than 50 health care and public service organizations show up for the annual free Children's Howlin' Health Fair.

Sponsored by the Macomb County Board of Commissioners, Macomb Community College, and area hospitals and service agencies, the fair will include a myriad of activities, both fun and health related for attendees and their children.

This year's festivities will run from noon until 4 p.m. on Saturday, Oct. 23, and will include refreshments, entertainment, raffle prizes, magicians, clowns, a petting zoo, a giant slide, Halloween crafts and mounted police officers.

Services to be offered this year include immunizations; free hearing and vision screenings; height, weight, and blood pressure measurements; dental assessments; nutritional information, and numerous other health-related games and activities.
