LIBRARY'S PUPPET SHOW OFFERS PERSPECTIVE ON DIVERSITY

CLINTON TOWNSHIP, Mich. – Parents are invited to register their children age 7 and up to see a puppet show that offers an engaging perspective on diversity.

The Kids on the Block puppeteers will perform a show, entitled “New Names,” at 7 p.m. Thursday, Dec. 9, at the Macomb County Library meeting room. The show, sponsored by the Macomb Library for the Blind and Physically Handicapped, features the Kids on the Block puppets Nam and Val, who explore Nam’s interest in changing his name so he can fit in better with schoolmates.

The Kids on the Block is a troupe of disabled and non-disabled puppets designed to teach children about disabilities and differences. Registration for this show is required by calling 586-286-1580.
