## **One-stop passports Sept. 18 at Macomb County Library**

CLINTON TOWNSHIP, Mich. – A Sept. 18 event at the Macomb County Library will make it easy for any qualified U.S. citizen to apply for a passport.

Anyone planning a trip out of the country is invited to a passport fair at the county library from 11 a.m. to 1:30 p.m. on Tuesday, Sept. 18. All services needed for a passport application will be available.

Applicants must bring two qualifying forms of identification and pay the processing fees. Two 2-by-2-inch photos also are required; applicants may bring them or have them taken at the fair for an additional \$15. Postmasters from Mount Clemens and Fair Haven will be on hand to help make sure everything is in order.

Total fees for passports are \$97, for adults and \$82 for children under 16.

Applicants must appear in person and bring two of the following: a birth certificate with official raised seal; a current driver's license; a state ID card or a naturalization certificate. For additional information, call the Macomb County Library at 586-286-6660 or visit [www.macombcountylibrary.org](http://www.macombcountylibrary.org).

Passports take about three months to process.
