Free children's health fair

MOUNT CLEMENS, Mich. – Macomb County children seeking some fall-time fun are invited to the Macomb Community College's Sports & Expo Center in Warren as more than 50 healthcare and public service organizations team up for the free annual Children's Health Fair.

Sponsored by the Macomb County Board of Commissioners, Macomb Community College and coordinated by the Macomb County Health Department, the fair will include many activities and healthcare services geared toward children.

This year's event is noon to 3 p.m. Saturday, Oct. 20, at the Sports & Expo Center on MCC's South Campus at 12 Mile and Hayes roads in Warren.

Childrens' activities include a magic show, train rides, a dog agility demonstration and much more. Parents also can obtain immunizations, health screenings, dental assessments and other health services for their children.

For more information, call 586-465-8090 or click on the Children's Health Fair banner at www.macombcountymi.gov.
