Senior Citizen Services seeks Focus: HOPE clients

MOUNT CLEMENS, Mich. – Income-eligible, homebound senior citizens are invited to contact the Macomb County Senior Citizen Services Department to see if they qualify for a monthly distribution of non-perishable food.

People age 60 and older who are interested in this program should call Robin Auten at 586-466-8725 for details about eligibility requirements.

The Macomb County Senior Citizen Services Department operates this program together with Focus: HOPE, a Detroit-based, non-profit agency aimed at helping senior citizens and the poor.
