## **Household hazardous waste collection in Richmond Twp.**

MOUNT CLEMENS, Mich. – The Macomb County Health Department and Richmond Township are conducting a household hazardous waste collection from 7 a.m. to noon Saturday, May 30.

The collection will be held at the Richmond Township Hall, 34900 School Section Road at M-19.

Macomb County residents may drop off unwanted or unused household chemicals, pesticides and herbicides. Automotive products (motor oil, oil filters, gasoline, cleaners and fluids), garden products (pesticides, poisons, sprays and dusts) and household products (oven cleaners, pool chemicals, photography chemicals, fluorescent tubes, oil-based paint and solvents) will be accepted.

One free environmentally friendly compact fluorescent light bulb will be given per household.

Unwanted medications from residents also will be accepted in nondescript containers such as a plastic bag. Only non-narcotic medications will be accepted.

The following items will not be accepted: computers, smoke detectors, latex paint, household batteries, anti-freeze, explosives, ammunition, flares and narcotic medications.

All materials, except medications, should be labeled or kept in their original containers. Do not mix chemicals or transport leaking containers.

For additional information, contact the Macomb County Health Department's Household Hazardous Waste Hotline at 586-466-7923 or visit <http://macombcountymi.gov/publichealth/EH/HouseholdWaste.htm> . To sign up for free e-mail updates notifying users when this web page changes, click on the "Subscribe to e-mail updates for this page" link.

This project is made possible by the Macomb County Board of Commissioners, Richmond Township, the Michigan Department of Agriculture's Clean Sweep Program and Michigan's Department of Energy Labor and Economic Growth.
