Child Car Seat Checkup

The week of September 18-24 has been designated as Child Passenger Safety Week by the National Highway Traffic Safety Administration (NHTSA). National studies have shown that four out of five car seats are used incorrectly. In order to promote the safety of children throughout Macomb County, the Macomb County Health Department is pleased to announce two car seat check events in the month of September. Certified Child Passenger Safety Technicians will be available to inspect car seats and educate caregivers on safe ways to transport their children. Dates and locations are:
