Board of Commissioners Seeks Legislative Interns

MOUNT CLEMENS, Mich. — The Macomb County Board of Commissioners is offering an opportunity for motivated, detail-oriented individuals to serve as unpaid legislative interns. These individuals will have the opportunity to work on policy issues along the spectrum of county government including (but not limited to): economic development, budget, health, community services, and board operations.

“We are excited about offering local students an opportunity to gain experience in county government,” said Commissioner David Flynn. “I hope this program will encourage talented young professionals to enter public service.”

Those interested in applying should possess an understanding of government and public policy, have a strong interest in Macomb County, and a desire to learn about the legislative process. Ideal candidates are inquisitive and creative problem solvers who bring an entrepreneurial approach to all tasks. A high degree of professionalism, amiable attitude and ability to adapt to the changing pace of a governmental office is desired. Candidates should be comfortable taking direction and completing complex and mundane tasks to meet a deadline.

“We look forward to collaborating with the valuable and talented group of individuals interested in taking an active role in helping shape the future of Macomb County,” said Commissioner Toni Mocerri.

Additional information and application instructions are available at www.macombBOC.com. Candidates should submit applications no later than June 15, 2011. Call the BoC office at (586) 469-5125 with any additional questions.
