Household hazardous waste collection in Warren

MOUNT CLEMENS, Mich. – The Macomb County Health Department and the City of Warren are conducting a household hazardous waste collection from 8 a.m. to 1 p.m. Saturday, Sept. 16.

The collection will be held at the City of Warren's recycling center located at 25601 Flanders Ave.

Macomb County residents are invited to drop off unwanted or unused household chemicals, pesticides and herbicides. Automotive products (motor oil and oil filters, gasoline, battery acid and fluids), garden products (pesticides, poisons, sprays and dusts) and household products (oven cleaners, pool chemicals, photography chemicals, fluorescent tubes, household batteries, oil based paint and solvents) will be accepted.

One free environmentally friendly fluorescent tube or compact fluorescent light, per household, will be exchanged for any fluorescent tube delivered.

Unwanted medications from residents also will be accepted. However, only non-narcotic medications will be accepted in nondescript containers such as a plastic bag.
