Macomb County Library fall program for children

CLINTON TOWNSHIP, Mich. – Macomb County children are encouraged to slither, hop or crawl into the Macomb County Library to learn about the origin, characteristics and habitats of various reptiles during a presentation by R.E.P.T.I.L.E. Inc.

Participants to the entertaining and educational presentation will get the opportunity to see (and touch!) an awesome variety of reptiles.

The event, for families with children ages five to 12 years old, will be held at 1 p.m. Saturday, Nov. 18, at the Macomb County Library.

This program is free and open to the public, but reservations are required as space is limited. For or more information or reservations, call 586-286-6660.
