MOUNT CLEMENS, Mich. – Macomb County has named Steven C. Gold as Acting Health Department Director/Health Officer following the retirement of longtime employee, Tom Kalkofen. The appointment is effective as of Feb. 2. An Ad Hoc Committee has been formed to address the vacancy and will meet on Wednesday, Feb. 17.

Paul Gielegem, Chairman of the Board, made the appointment in accordance with the Appointment Policy for Department Heads.

“We appreciate the leadership, commitment and attention to quality that Tom Kalkofen provided as Health Department Director for so many years and are confident that services will be maintained at the highest level while Steve Gold is in charge,” said Gielegem.
