Macomb County initiates search for new Finance Director and appoints interim leader

MOUNT CLEMENS, Mich. – Macomb County will initiate the search for a new director of its Finance Department at a meeting of an Ad Hoc Committee on Monday, January 11, 2010. The opening is the result of the retirement of longtime employee, David Diegel, earlier this week. During the interim period, John Foster, Assistant Finance Director, has been appointed Interim Finance Director.

Paul Gielegem, Chairman of the Board, made the appointment in accordance with the Appointment Policy for Department Heads as adopted by the Board of Commissioners on April 25, 1988 and amended on December 13, 1996.

“We deeply appreciate the longtime commitment and service of Dave Diegel and are confident that John Foster will provide steady guidance during the search and transition to new Finance Department leadership.”

Commissioner Irene Kepler, Chair of the Finance Committee, will lead the Ad Hoc Committee in charge of filling the Finance Director position.
