Free Document Shredding & Medication Disposal for Macomb County Seniors

MOUNT CLEMENS, Mich. – Macomb County senior citizens can conveniently and securely dispose of unwanted medications and sensitive personal information at a free document shredding and medication collection event in Clinton Township in April.

The event is from 9 a.m. to 10 a.m. Thursday, April 8, at the VerKuilen Building parking lot, 21885 Dunham Road, Clinton Township.

Health Department and Macomb County Sheriff officials will be present to help with safe disposal of unwanted medications, including narcotics, which helps avoid drinking water contamination. Please note that pills must be removed from bottles and placed in a plastic bag. Controlled substances such as narcotic painkillers and stimulants will be accepted at this site, but must be kept in a separate plastic bag.

In order to help seniors combat identity theft and keep financial information private, the Macomb County Senior Citizen Services Department and Absolute Shreds, a mobile shredding company, will also shred any unwanted personal documents of seniors.

This program is for Macomb County residents age 60 and older and is intended for personal residential use only. Shredding is limited to four, 2-foot-by-1-foot boxes of materials per person.

For more information, call Cathy Wilson at 586-469-6307 or 586-469-6313.
